## “Pipestone – The National Monument Everyone Should Visit”

February 27, 2018

6:30 p.m. to 8:00 p.m.

Presented by Nick Medinger

Join Nick as he shares the unique history of Pipestone National Monument located in southwestern Minnesota. For countless generations, Native Americans have quarried the red pipestone found at this site. These grounds are sacred to many people because the pipestone quarried here is carved into pipes used for prayer. Many believe that the pipe’s smoke carries one’s prayer to the Great Spirit. The traditions of quarrying and pipemaking continue there today.

Nick has traveled extensively in the United States and Europe and lists this as one of the most fascinating places he’s seen. He is the COO of FunAgain Games in Medford and graduated from Drake University with degrees in History and Political Science. He grew up in Talent and lives in the Rogue Valley.

You do not need to be a member of the Talent Historical Society to attend.

Well behaved children are welcome and encouraged to attend.

There is no admission charge but donations are gladly accepted.
